

As a delivery driver I benefit from listening to XM Radio and its instant traffic and weather channels. Satellite radio provides variety and sometimes quality that I cannot find elsewhere. I pay (way too much) for these services and it should not be up to the NA of Broadcasters to dictate what I am permitted to hear. I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming I demand and deserve. Also KEEP HOWARD STERN and other SHOCK JOCKS OFF PUBLIC RADIO!!!!
